Dear Dr. Plowman:

The Board of Directors of the Council for Accreditation of Counseling and Related Educational Programs (CACREP) met July 9-11, 2020, for the purpose of making accreditation decisions. Two counseling specialty areas and a doctoral program, housed in the College of Education, Health, and Human Sciences at The University of Tennessee, Knoxville, were reviewed under the 2016 CACREP Standards. The Board made the following decisions:

Clinical Mental Health Counseling (M.S. degree)

Accredited: Eight-Year Period through October 31, 2028

School Counseling (M.S. degree)

Accredited: Eight-Year Period through October 31, 2028

Counselor Education and Supervision (Ph.D. degree)

Accredited: Eight-Year Period through October 31, 2028

The Board based the above accreditation decisions on an extensive review of the self-study documents, the site visit team's report, and the institution's response to the site visit team's report.

Programs receiving accreditation for an eight-year period deserve to be commended for the work completed throughout the accreditation process. This is indeed a worthy achievement. Congratulations! Please note that a certificate of accreditation will be enclosed with Dr. McIntyre's copy of this letter.

On behalf of the CACREP Board, I would like to extend my thanks to you and your administration for the support provided to the counseling program. Such support is considered

Dear Dr. Cheek:

The Council for Accreditation of Counseling and Related Educational Programs (CACREP) Board of Directors met July 10-12, 2014, for the purpose of rendering accreditation decisions. At this meeting, the Board reviewed an Interim Report submitted by the College of Education, Health, and Human Sciences at the University of Tennessee, Knoxville to support its request for removal of the two year conditional status placed on the Clinical Mental Health Counseling (M.S. degree), School Counseling (M.S. degree), and Counselor Education and Supervision (Ph.D. degree) programs.

Based on the Board's review of the report and supporting documentation, the Board decided to remove the conditions and to extend the accredited status of these programs through the remainder of the eight-year cycle ending October 31, 2020.

A revised certificate of accreditation will be enclosed with Dr. Rider's copy of this letter. Once again, the Board extends its thanks to you and your administration for the support given to the faculty in maintaining the accredited status of these programs.

Sincerely,
