Dear Dr. Niederhauser:

The Executive Committee of the Commission on Collegiate Nursing Education (CCNE) acted to approve the substantive change notification submitted on August 21, 2015 by the nursing unit at University of Tennessee, Knoxville. The substantive change notification is in regards to curricular revisions and new student outcomes in the BSN program, the addition of new courses to the Adult Gerontology track, the implementation of a new Pediatric Nursing track in the MSN program, and the closure of the Global Disaster Nursing certificate and the Nursing of Women track.

As a reminder, programs are expected to comply with the current CCNE standards and procedures throughout the period of accreditation. These documents are available at <http://www.aacn.nche.edu/ccne-accreditation/standards-procedures-resources/baccalaureate-graduate>. This includes advising CCNE in the event of any substantive change in the nursing programs or of any major organizational changes that may affect the programs' administration, scope, or quality. Substantive change notifications must be submitted to CCNE no earlier than 90 days prior to implementation or occurrence of the change, but no later than 90 days after implementation or occurrence of the change. These reporting requirements are discussed further in the CCNE *Procedures* (pages 20-21).

Thank you for providing CCNE with the substantive change notification. Please do not hesitate to contact Lina Trullinger, CCNE Assistant Director, at 202-887-6791 x245 or ltrullinger@aacn.nche.edu, if you have questions or need assistance.

Sincerely,

Susan D. Ruppert, PhD, FNP-C, FAANP, FAAN
Chair, CCNE Board of Commissioners

CCNE-ACCREDITATION

November 19, 2015

Victoria Niederhauser, DrPH, RN-BC, PNP-BC
Dean and Professor
College of Nursing
University of Tennessee, Knoxville
1200 Volunteer Boulevard
Knoxville, TN 37996-4180

Dear Dr. Niederhauser:

On behalf of the Commission on Collegiate Nursing Education (CCNE), I am pleased to advise you that the CCNE Board of Commissioners acted at its meeting on October 19-22, 2015, to grant accreditation to the **baccalaureate degree program in nursing at University of Tennessee, Knoxville for 10 years, extending to December 31, 2025. The accreditation action is effective as of March 30, 2015, which is the first day of the program's recent CCNE on-site evaluation.** You should plan for the next on-site evaluation to take place in the **spring of 2025.**

At its meeting, the Board determined that the program met all four accreditation standards. The Board additionally determined that there are no compliance concerns with respect to the key elements.

A copy of the accreditation team report that was sent to you earlier, along with the program's response to it, is being transmitted to the institution's chief executive officer as the Commission's official report to University of Tennessee, Knoxville. We hope that both the results of the self-study process and the team report will be useful to the continued growth and development of the nursing program. A certificate of accreditation is enclosed.

In accordance with CCNE policy, if a program or institution elects to make a public disclosure of a program's accreditation status with CCNE, the program or institution must disclose that status accurately. The program or institution disclosing the information must identify the nursing program and its affiliation with CCNE. This statement must include *either* the accrediting agency's full name, address, and telephone number *or* the accrediting agency's full name and address of the website home page, which identifies CCNE's address and telephone number. For more information on CCNE's disclosure policy and to access the statements that CCNE has approved for use, as well as information on use of the CCNE accreditation seal, please visit <http://www.aacn.nche.edu/ccne-accrreditation/seal-policy/baccalaureate-graduate>. Please ensure that the institution's website and other materials are updated to reflect this language, as appropriate.

As is required for all accredited programs, a Continuous Improvement Progress Report (CIPR) must be submitted at the mid-point of the accreditation term. Please note that the CIPR needs to address and demonstrate the program's compliance with the CCNE standards and key elements that are in effect at the time of its submission. As a courtesy, CCNE will send a reminder letter to the chief nurse administrator approximately five months prior to the CIPR submission deadline, informing the program of the specific standards to be used and providing guidance for the preparation of the report. The deadline for submitting the CIPR to CCNE is December 1, 2020. The Report Review Committee, and then the Board of Commissioners, will review the CIPR. For more information about CIPRs and the report review process, please refer to the CCNE procedures.

As a reminder, programs are expected to continue to comply with the current CCNE standards and procedures throughout the period of accreditation. These documents are available at <http://www.aacn.nche.edu/ccne-accreditation/standards-procedures-resources/baccalaureate-graduate>. This includes advising CCNE in the event of a substantive change affecting the nursing program. Substantive change notifications must be submitted to CCNE no earlier than 90 days prior to implementation or occurrence of the change, but no later than 90 days after implementation or occurrence of the change. These reporting requirements are discussed further in the CCNE procedures.

Thank you for your participation in the CCNE accreditation process and your commitment to quality nursing education. The Commissioners join me in expressing our very best wishes as you continue to promote excellence in nursing education.

Sincerely,

A handwritten signature in black ink, appearing to read "Judith Karshmer". The signature is fluid and cursive, with a long horizontal stroke extending to the right.
